Message from the President

Thanks for making it a safe 2007 shooting season and helping out whenever and where ever you could in the affairs of the club - whether it was on the work parties, selling the lotto calendars, or just making suggestions on what you think we should do as a shooting organization.

Every bit of input is important and I thank you for it.

From myself and all the Club Directors, we wish you all a Joyous Holiday Season, Merry Christmas, Happy Hanukah, and a Very Happy, Healthy New Year!

Steve Boehm, President

CMU Students Returning

The club is hosting another group of CMU students for a "First-Shoot course on January 18, 2008. The club ranges will be closed from 12 noon to around 6 p.m. for this event.

Volunteers are needed to assist at this event. You do not have to be an instructor to assist though that would be helpful. Simply being there to help monitor and maintain a safe shooting environment will be greatly appreciated.

Thanks to Greg Kesdan for putting this all together and to all those that make the effort to attend.

Lotto Calendars Need to be Turned In

Calendars are due by December 30. They can be dropped off at any event being held by the club, i.e., Monday night from 7 to 9, Wednesday night during the Junior shoot, Sunday during the trap shoot from 1 to 3 in the afternoon, or Directors meeting on December 20 from 8 to 9:30

You could quite possibly call the club house phone (724-348-7941) and leave a message as to the ones you've sold either individually or just the envelope number if you've sold them all.

Work Parties

A big thank you goes out to the people who were at the November work party - Steve Boehm, Scott Karman, Linda Karman, Tyler Karman, Ray Noakes, and Joe Montuoro.

They installed a slop sink in the men's room, fixed the urinal trough drain, cleaned out the furnace room, and installed new wiring in in the furnace room.

The first work party of the year is scheduled for January 19. The fun begins at 9:00 a.m. and lunch will be served. *Come out and help maintain the facility.*

Member Alerts

Members can be alerted promptly to problems at the club (such as the gate not functioning during hot weather) and other things that might affect the availability of the ranges (such as boys scout outings or special events that shut down the ranges) if they have e-mail. If you have an e-mail address the officers can send you information on important items such as listed above as soon as they know about it and possibly save members a wasted trip to the range or perhaps give you the solution to a gate malfunction.

Please send your e-mail to

Stephen.Joseph.Boehm@msn.com.

Boy Scout Event

The Boy Scouts will be at the club on February 15, 16, and 17. Once again we are requesting assistance for this event. The scouts camp out and try for their shooting merit badges. It is a great event to be involved in.

Call or e-mail Ray Noakes, Jim Warden, or Steve Boehm if you can help out. Their phone numbers will be posted at the club or you can use the club's e-mail to contact them.
