### **Does Anyone Know**

#### **Mr. Art Perhach**

In the last lotto calendar fund-raiser, Mr. Art Perhach purchased a ticket that won once. Unfortunately, he did not put a house number in his address and the post office will not deliver his winnings without one. Oddly enough there was no seller name on the stub either. If you remember selling a ticket to Art Perhach, please contact the Club, so we can get his winnings to him.

### **CMP Shoot**

In response to some requests for a change, the CMP shoot will be held on the 2nd AND 3rd Sundays in July and August to see which one is better accepted. The results from this short test will determine if a change from the 3rd to the 2nd Sunday) is worth making.

### **Metropolitan Police Revolver League**

The Metropolitan Police Revolver League started its outdoor 2008 matches on May 18 and will continue through the week of August 3. The season consists of 12 matches. The League practices on Thursday night on the indoor pistol range at 6:00 pm. Practice will continue through August 3.

### **Recreational Pistol League**

The Monday Night Recreational Pistol League (MNRPL) will start up on September 8 at 7:30 p.m. The league shoots for 10 weeks, takes a break before deer hunting season, and resumes on January 5, 2009 for another 10-week session.

The format for the league will be the same: 10 rounds of slow fire, (two 5-round relays of two minutes each, fired on a B2 target); 10 rounds of timed fire (two 5-round relays of 20 seconds each), and 10 rounds of rapid fire (two 5-round relays of 10 seconds each), with a minimum of 30 seconds between timed and rapid sessions, fired at B3 targets; 10 rounds fired at a reduced silhouette (two 5-round relays with one reload, using two hands, in 45 seconds, then 10 rounds fired at a larger silhouette, two 5-round relays with one reload, using one hand, in 60 seconds) - 50 rounds in all.

You may use more than one hand gun during the course and eye and ear protection is required. You can use any firearm and ammunition combination allowed by the rules of the indoor range. Open sights or red dots, even scopes if the magnification is not more than one power. The cost is \$30 for the entire season. Targets are provided, but you must bring everything else - eye & ear protection, ammunition, and, of course, a firearm of your choice.

## Junior Rifle

Basic rifle for Juniors will be starting in October. The cost is \$20 for the 4-week course. All items are furnished by the club for this event. After the basic course there is a junior rifle league that shoots every Wednesday night till April, with a short break for the holidays, all for an additional \$20. This is a great opportunity for the kids to learn rifle shooting in a safe, controlled environment.

## Work Parties

The May work party was attended by Scott Karman, Linda Karman, Tyler Karman, Andy Karman, Steve Boehm, Thom Beck, and Joe Montuoro.

They put on a new door on the trap house and five mini blinds on the trap house windows, painted more of the kitchen, trimmed weeds, and cut grass.

The June work party was attended by Scott Karman, Linda Karman, Tyler Karman, Andy Karman, Steve Boehm, and Joe Montuoro.

They put in new steps to the 100-yard rifle range, and trimmed weeds, and cut grass.

## In Memory

The Club received notice of the passing of member Joseph A. Wilhem on April 26, 2008.

Joseph was a Carrick Sportsmen's member, range master, World War II veteran, and an NRA member.

Carrick Sportsmen's Club directors and members send their condolences to Joseph's son, Brian P. Wilhem and his family on the passing of their father.

A donation was presented to the Club by Brian in memory of his father in the amount of \$100. It was Joseph's and Brian's wish that the donation be used to benefit some club activity or program.

The Club thanks them for their generous donation.

ability of the ranges (such as boys scout outings or special events that shut down the ranges) if they have e-mail. If you have an e-mail address the officers can send you information on important items such as listed above as soon as they know about it and possibly save members a wasted trip to the range or perhaps give you the solution to a gate malfunction.

Please send your e-mail address to [StephenJosephBoehm@msn.com](mailto:StephenJosephBoehm@msn.com).

## Turn In Lotto Calendars

All calendars and money are due back to the Club on July 1. They can be dropped off at any event being held by the club, i.e., Wednesday night trap shoot, Sunday afternoon trap shoot, or Membership or Directors meetings.
