Lottery Calendars

The Lottery Calendars for the July - October 2025 lottery fundraiser are available for pick-up. They are sorted into packets of 5 and 10. The calendars are in large manila envelopes along with a white return envelope. The directors again urge everyone to sell as many Lottery Calendars as you can because this is the major fundraiser for the club. We are striving to reach the point where we sell all of the tickets for each calendar lottery fundraiser. Each lottery calendar is only \$10 and has a 3-digit number which is good for the PA evening 3-digit number and is good for the months of July through October. You can pick them up at the Club at Membership meetings, Director's meetings, or when the Club is holding a scheduled activity like the Monday night pistol shoot or the trap shoots on Wednesdays evenings and Sunday afternoons.

Stubs MUST be returned before July 1. Please note that winning calendar payments are not retroactive. Prize eligibility begins on the date the stubs are turned in. To be valid for payment, tickets must be either turned in at the Club or the sale must be verified by e-mail (see below) or phone call (to the Club message line at 724-348-7941) by June 30. If you have sold tickets but can't return the stubs to the Club before the deadline, you can call and leave your name and a brief message that envelope number "X" was sold or that tickets "a, b, and c" were sold. You can also send an e-mail to any of the Club Directors stating the envelope number and which tickets were sold. (All of the Director's e-mails are listed at the end of this newsletter.)

Either message will trigger eligibility on the sold tickets.

Proposed Revision to the By-Laws

The Board of Directors is proposing a revision to the By-laws. The proposed revisions were read at the March and May Membership meetings and should have been read and voted on at the June Membership meeting; however, there were not enough members in attendance to have a quorum so there could be no vote at the June Meeting. The proposed revision will be read at the July membership meeting and a vote will be taken to accept or reject the revision. **The Board of Directors urges all members to read the changes and attend the July Membership Meeting so that this revision can be approved or rejected. The revisions are presented on Pages 9-16.**

Woman Only Basic Pistol Class

The Club is holding another beginner firearms class for women only on Saturday, June 28, from 9:00 a.m. till about 2:00 p.m. The course will be taught by Amy Hess, a certified instructor, and will cover safe firearm handling, range etiquette, basic handgun fundamentals, and protection layering. Amy is an NRA Certified Basic Pistol Instructor, a Certified Range Safety Officer, an NRA "Refuse to be a Victim" Certified Instructor, an NSSF First Shots Facilitator/Instructor, a USCCA Certified Concealed Carry and Home Defense Instructor, and a 2022 graduate of the FBI Citizens Academy.

This class is designed for beginners and those who need a refresher in basic firearms skills. If you know a woman who might be interested in the class, please have her contact Steve Perry at sdperry48@hotmail.com. The class is limited to 10 to 12 participants. If the class is full we will put you on a waiting list for future classes.

The Club understands that firearms can be frightening and intimidating for women, so we are inviting women to attend this class where they can learn safety awareness, proper handling techniques, how handguns work, and how to safely protect themselves in a safe, controlled, non-intimidating environment. These classes are designed to introduce women to firearms and the concept of self-protection.

If you do not have a firearm, the club will have .22 pistols available to use along with eye and ear protection. The fee for the class is \$45.00 for members and \$60.00 for non-members. Please register early as this class always fills up fast.

There are still a few seats available for the class!

To register for the class please contact Steve Perry at sdperry48@hotmail.com.

Gun Cleaning Class

The Club is holding another Members Only Gun Cleaning Class on Wednesday, July 2, at 6:00 p.m. at the Club. We believe gun cleaning and maintenance is a **MUST** for firearms longevity! However, not everyone is taught or shown the proper and safe ways to clean and maintain their firearms. The class covers handgun disassembly and assembly; proper handgun inspection; cleaning and maintenance; lubrication; and storage.

The Class is open to all Club members but participation is limited, so if you are interested in attending the next class, please contact John Papinchak at j.r.papinchak@gmail.com.

NEW BRASS POLICY

A new brass policy has been implemented by the Board. At their meeting on February 20, the Board voted to adopt a new brass policy. It is as follows:

All brass, once fired, is considered "lost brass." You may collect your own brass that is on or behind the firing line only when firing has ceased, and all firearms have been made safe. Brass from other shooters and all brass that falls on in front of the firing line may be collected only when the range is all clear for shooters to proceed in front of the firing line. Brass that is disposed into the Club's brass collection receptacles becomes the property of the Club. The brass is sold for scrap.

The proceeds from the sale of the brass will be applied to the Club's general fund.

Junior Shotgun Program

The Jr. Shotgun Program began on Wednesday, June 4. They shot on each Wednesday in June. This program was open to the public for anyone age 12 and up that wanted to learn to shoot trap in a controlled, safe environment with experienced instructors.

The Club provided the use of a shotgun and the necessary eye and ear protection, but the shooters had to provide their own ammunition.

The program ended on June 25 and the Club will be doing the program again next summer, so if you would be interested in participating in this program, please contact either Chris Warden at warden7@me.com or Glenn Woods at gwoods1306@outlook.com.

Junior Rifle Program

The Junior Rifle Program will begin in October.

The Junior Rifle Program is for shooters up to 80 (or older).. There are two parts to the Junior Rifle program - an introductory, one-day session which should be held in late October (usually on a Sunday)- where participants learn rifle safety and shooting techniques including handling, maintenance, aiming, and shooting. The cost for this portion of the program is tentatively \$50 per shooter and includes use of the rifle, eye and ear protection, and all ammunition. The cost may be adjusted depending on the cost of ammunition, targets, etc.

Following the introductory session is the practice portion of the program which runs to the end of March . This give the participants the opportunity to practice and develop the skills they acquired in the introductory session. They shoot every Wednesday from 7:00 p.m. to 9:00 p.m.

The cost of the practice session is tentatively \$50 per shooter and, like the introductory session, includes use of the rifle, eye and ear protection, and all ammunition. The cost may be adjusted depending on the cost of ammunition, targets, etc.

Note - shooters have to complete the introductory session to participate in the practice session.

If you are interested in joining this program in October please contact either Chris Warden at warden7@me.com or Glenn Woods at gwoods1306@outlook.com.

Membership

As of mid-June, the Club had 274 senior members, 20 associate members, and 10 junior members for a total of 304 members.

New Members

• June

There were two new member in June. They were

Monday Night Recreational Pistol League

• Bowling Pin Shoot

The Monday Night Recreational Pistol League is shooting bowling pins on the last Monday of the month on the 25-yard outdoor range.

The course of fire is 5 relays per line with 5 shots per relay for a total of 25 rounds per line. There are two shooters on the line at a time, The goal is to shoot the suspended bowling pins and make them swing on the target holder. This is a shoot for center fire pistols.

To participate in the shoot, just show up at 6:00 pm; the shoot will start no later then 6:30 pm. The cost is \$2 per line; half of the fee goes to the club and half goes to the top shooter for that line.

In the event of rain the group will move to the indoor range and shoot metal silhouettes,

For more information, please contact Steve Perry at sd-perry48@hotmail.com.

• Recreational Pistol League Starts on September 8

The Recreational Pistol League will be starting their regular 20-week season on Monday, September 8 at 7:00 p.m. on the indoor range. They shoot for 10 weeks and then take a break at the Christmas - New Year holiday. They resume in early January for another 10-week period and enjoy a “banquet” at the end of the season. After their 20-week season ends (some time in March) the league will swing over to shooting metal silhouettes on the indoor range, and perhaps a few nights of shooting bowling pins on the outdoor range.

The league is loosely organized into teams which compete against each other over the season for bragging rights.

The course of fire includes 5 segments - all on regulation NRA targets. The first segment is two lines of slow fire (each at 5 shots in 2 minutes); the second segment is two lines of timed-fire (each at 5 shots in 20 seconds); the next phase is two lines of rapid fire (each at 5 shots in 10 seconds). Segment 4 is 5 shots, change magazine, 5 more shots, all in 45 seconds; and segment 5 is 5 shots, change magazines, 5 more shots all in 60 seconds - one-handed. You will need your favorite firearm, 50 rounds of ammunition (remember - on the indoor range, ammunition must have a muzzle velocity of under 1200 feet per second), and eye and ear protection. Because of the time considerations and the cost of ammunition, a .22 caliber semi-automatic pistol is recommended. However, those with revolvers and speed loaders should have enough time to complete the course of fire.

The cost for the 20-week season is \$30 for members and \$40 for non-members. Shooters that can't commit to the entire 20-week season can pay on a per-night basis; \$3 per night for members and \$4 per night for non-members.

For questions or to sign up for the Monday Night League, please contact Steve Perry at sdperry48@hotmail.com.

Work Parties

Work Parties are held on the 3rd Saturday of each month to do maintenance and improvements around the Club. These all-volunteer work parties are a critical part of the Club's operation. Without constant maintenance and a continuing effort to improve the Club, members would find it more and more difficult to use the Club's facilities.

The Directors ask everyone who can to donate some time to these work parties. You don't have to be here all day, any time you can donate to this effort is greatly appreciated by the Directors and highly valued to the Club. No special skills are required; there is always a lot of maintenance required just on the grounds in the form of trimming, cutting grass, and general clean-up. Lunch is provided.

May Work Party

There were 9 members at the May 17 work party. They were: • **Reno Baum • Mike Fiorito • Scott Karman • Rob Low • Glenn Woods • Zack Gajski • Mike Gajski • Jeff Mihoces • Ray Schuerger.** They cut up the downed trees on the property, painted the clubhouse, and general grounds keeping.

June Work Party

There were 8 members at the June 21 work party. They were: • **Scott Karman • Rob Low • Reno Baum • Joe DeBranski • Zack Gajski • Mike Gajski • Jeff Mihoces • Ray Schuerger.**

They worked on repairing the fence line and continued painting the clubhouse.

Metro Police Revolver League (MPRL)

The MPRL team started their outdoor season in mid-May and is scheduled for 14 matches, ending in mid-August 17. They compete against teams from other clubs in the area, with each team shooting at their home club; and submitting scores are submitted to, and tallied by, the league scorekeeper (Jan Joos).

They shoot both .22 and center fire pistols for the League, but you can shoot either or both courses of fire.

The team really needs new shooters. There are only 2 members on the team at the present, They are asking anyone who is interested to come out and give it a try. You'll get a feel for the shooting regime and meet the team. You can shoot with the team but your scores will not count until you actually join the team. Please consider joining the MPRL team. If you decide to join the team there will be a League fee of \$10 per gun.

At the end of the season, the league gives out several team and individual awards (dependent on the treasurer's assessment of finances). These include High Season Average, High Expert, High Sharpshooter, High Marksman, High Tyro, and High Score.

For more information, please contact Reno Baum via e-mail at crossroadssnappy97@gmail.com.

Club Calendar on Our Website

Secretary John Papinchak has been maintaining a Google Calendar on our website at <http://carricksportsmen.org/>. It can be found under the Events tab. The calendar is constantly updated to keep members aware of events as they come up. Check it frequently to be to stay up to date on events that might interest you.

Members Urged to Take Active Part in Club

Members are urged to become more active in the activities and programs at the club and to attend more of the membership meetings. Participation has been falling off recently in meeting attendance and registration at the club-sponsored programs and classes. All of our scheduled activities and shoots could use more participation. The Monday night shooting program, the trap shoot (Wednesdays and Sundays), the Sunday Pittsburgh-Suburban League, and the Thursday Night MPRL team all could use more shooters. Please consider trying any of these opportunities to hone your shooting skills.

In addition, more members should be attending the membership meetings on the first Tuesday of the month.

That is where you get to hear the details of what is going on at the club and have the opportunity to ask questions and express your interests and concerns with the directors. At the June membership meeting there were not enough member in attendance to have a quorum so no business could be conducted at the meeting.

The Board of Directors urges all members to become more involved!

Open Trap Shooting

Open Trap Shooting is offered on Wednesdays from 6:00 p.m. to 9:00 p.m. and on Sundays from 1:00 p.m. to 4:00p.m., weather permitting. These trap sessions are open to the public and everyone is welcome; you do not have to be a Club member.. For more information on the trap shooting program, please contact Chris Warden at warden7@me.com.

The cost for a 25-bird line of trap is \$5.00. Shooters can bring their own shotgun shells (shot no larger than 7 1/2) or they can buy shotgun shells at \$10.00 a box at the range. And, for new shooters, equipment may also be borrowed

Pittsburgh Suburban League

The Pittsburgh Suburban League is currently off for the summer and will start back up in September. This is a Sunday .22 rifle shoot that competes with clubs from the area.

The team shoots on Sunday afternoons from 4:00 p.m. to 5:00 p.m. over the winter. Club members are welcome to join them for 3-position .22 rifle shooting - they shoot prone, kneeling, and standing. The team uses single-shot .22 rifles, with/without optics. They are in need of shooters. If you are interested in getting involved with this league, please contact Steve Perry at sdperry48@hotmail.com or Tom Dietrich at fishfndr@hotmail.com

USC Rifle Team

The Upper St. Claire (USC) Rifle Team will be returning to the club in late November. They have been using the club as their home range for almost 10 years and have been fielding teams with membership from 20 to 30 shooters. This is a great way to enable young adults to become involved in the shooting sports.

As soon as the Fall/Winter season is set we will let everyone know the specific schedule.

Member Lifesaving Info

We are sharing free online information that may help you to one day save a life. Please review these free resources on CPR and AED use, as well as Stop the Bleed education.

<https://www.aedcpr.com/cpr-aed-certification-training/> and <https://www.stopthebleed.org/>

We hope that they will be informative to you, and that you never need to use these. However, it is better to be informed, educated and prepared than not.

-As a reminder, we have an AED including a Stop the Bleed kit in the rear of the Club House on the wall next to the chalkboard by the pool tables.

All Ranges Are Open and Operational

Police Your Dogs

Just a friendly reminder - - Members have been exercising their dogs on the Club property and, as nature dictates, have been leaving waste. We understand that happens, but it is creating a problem for the Club, especially when the Boy Scouts stay at the property and as other members use the outside areas. It's important to note that dog waste can be harmful and it also contributes to the spread of disease. We kindly request that anyone who does bring their dog to the property, please pick up after your dog **before** you leave the Club property.

New Guest Card and Sign-in Procedure

There is a new box to hold the new Guest Card/Waiver sheets above the indoor range login desk. Similarly, the Guest Card/Waiver have been placed in the log books for each of the outdoor ranges. Guests must complete the Guest Card/Waiver sheet each time they visit one of our ranges. And, the member must enter his guest's information in the appropriate log book.

Each guest is to pay the \$5.00 Guest Fee for every range visit.

To summarize, Guest cards must now be completed along with the signed waiver form and the \$5 Guest Fee paid for each guest for every range visit.

Range Rules Review

Early in the year is a great time for everyone to reacquaint themselves with our policies, procedures, and practices. Please take the time to read these below rules. We would like to point out these particular safety reminders:

- Firearms are to be pointed down range at all times and no handling of any firearm when someone is down range.
- All ranges require the use of eye and ear protection by everyone on the range.
- A maximum of 5 rounds (including in the chamber) may be loaded in a firearm at a single time.
- There is no rapid fire.
- All ranges, except archery, require the use of an Empty Chamber Indicator (ECI) for each firearm when not being fired.
- When using ANY of the ranges, nothing, except for the targets, is permitted on ANY range beyond the firing line, particularly on the indoor range - except for a chronograph.

A reminder on the Club procedures; we have had a few members not following our log book and guest rules:

- All members and guests are required to fill in the required information on the range logbook before using each range; and please write legibly. This is a requirement as part of our Consent Decree with South Park Township.
- All guests, on their first visit, must complete a Visitor Information Card and the Range Waiver Form, during their first use of EACH range. Forms are at the sign-in stations. Each guest is to pay a \$5.00 range fee each time. Your guests must be attended at all times. Members are responsible for the actions of their guest and must ensure that their guests are following the range rules.
- Remember to turn off the lights and close the doors on the ranges when you leave. It is the responsibility of every club member to make sure everything is secure and cleaned up before leaving the grounds. All of the ranges and shooting positions are on camera and video tape. Everything you do on a range can be reviewed. If the Directors discover that you are not in compliance with the range rules, you will be notified of the violations once and, if the behavior continues, you risk losing your privileges and possible termination of your membership.

The Range Rules MUST be Adhered To!

If you need a copy of the Range Rules, please contact Steve Perry at

sdperry48@hotmail.com

As always, if you have any questions, please contact any of the Directors. Or, feel free to join us at the monthly Membership meetings.

Concealed Carry Permit Recommendation

If you do not already have your license to carry a firearm for PA - the Board of Directors is suggesting you strongly consider obtaining it. As a firearm owner, it affords you protection when transporting your firearm from/to home and to/from the range. This is important in case that you ever need to stop somewhere between your home and the range.

The Allegheny County Sheriff's Office has great information about the process online at sheriffalleghenycounty.com/firearms/. They make it super easy to obtain your permit!

The Allegheny County Sheriff's Office Firearms Division is located on the ground floor of the Allegheny County Criminal Courthouse at 436 Grant Street in Downtown Pittsburgh. The office can be accessed through the Forbes Avenue archway of the courthouse. The Sheriff's Office Firearms Division handles the issuance of licenses to sell firearms and licenses to carry firearms and is typically open Monday through Friday, 8:00 a.m. to 3:00 p.m. with the exception of holiday and satellite events. By state law, the Sheriff has the responsibility to process all applications to carry handguns in Allegheny County and to issue licenses to all those applicants who qualify based on an extensive background investigation done by the Sheriff's Office. The Sheriff also licenses all firearms dealers in the county.

They also sponsor several satellite registration events so that you do not have to go downtown to the County Building. Two such events are coming up this fall in Jefferson Hills and South Park:

- **Saturday, September 13, in Jefferson Hills at 925 Old Clairton Road from 9:00 a.m. to 3:00 p.m.**
- **Saturday, October 18, in South Park at 2575 Brownsville Road from 9:00 a.m. to 3:00 p.m.**
